JUL 08 2004 PATENT
Docket: CU-2746

Fig. 6 is a drawing for showing two unit pixels arranged side by side among a plurality of unit pixels in a liquid display device according to an embodiment of the present invention.

For the reasons set forth above, Applicants respectfully submit that all noted inconsistency between the drawing and the Specification has been removed. Should the USPTO (or the Examiner) have any remaining questions or concerns, please contact the undersigned attorney by telephone to expeditiously resolve such concerns.

Respectfully submitted,
